THE MILLS

MATERNITY INDEPENDENT LIVING AND LIFE SKILLS

We are hosting a needs drive in support of our newest program at Youth Crisis Center—Maternity Independent Living and Life Services (MILLS). This innovative program features five tiny-house duplexes on our campus, providing safe, supportive housing for up to 10 young adults at a time who are experiencing homelessness during pregnancy or while parenting a child under 21 months old. Through The MILLS, YCC is expanding its impact and helping more families than ever before by offering stability, life skills, and a path toward independence.
